

Sourcing - One-Stop-Shop

Through an extensive international network of packaging producers together with an organisation experienced in serving global accounts, Nefab is ready to provide a one-stop-shop for all packaging needs.

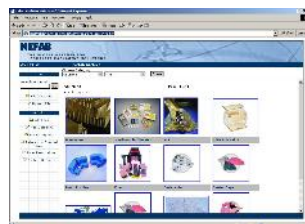

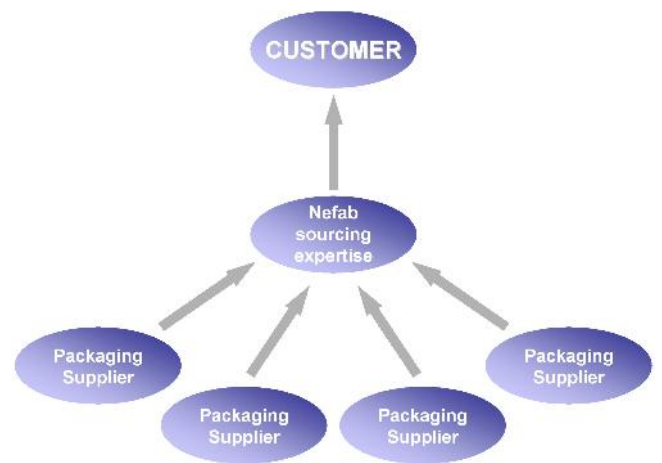

By using Nefab as a complete packaging provider, there is no need to negotiate with suppliers or develop new solutions. Nefab proactively takes care of all these issues as a professional partner and gives you the opportunity to focus on your core business.

Benefits include:

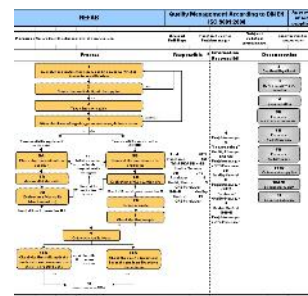

- * One supplier – one invoice
- * Nefab's purchasing power – lower purchase costs
- * Reduced cost for sourcing and managing suppliers
- * Access to Nefab's competence and expertise in packaging logistics

To ensure that products and services of a high and constant quality are provided, Nefab has developed a supplier evaluation process. This is a continuous process, which is monitored and followed up in Nefab's sourcing database.

Through self audits and site audits, suppliers are scored based on their performance in seven areas: Technology & Production, Quality, Responsiveness, Delivery, Cost and Business Ethics & Environment.
